

City of Greenville Project Status Report
American Recovery and Reinvestment Act of 2009
June 1, 2009

A. Entitlements

1. Community Development Block Grant
\$216,580 to be used for planning and administration, public service activities, and housing rehabilitation; public hearing will be June 1, 2009.
2. Transit Capital Grant
\$1,478,464 to be used for two hybrid buses, an oil/water separator for the Public Works Facility, a transit storage building, bus shelters, an identification card system, and upgrades to the Reade Street Transfer Point; public hearing conducted on May 14, 2009.
3. Edward Byrne Justice Assistance Grant (Police)
\$340,669 to be used for two police vehicles, 24 patrol vehicle cameras, 10 neighborhood cameras, GPS tracking system, equipment for crime statistics room, and other law enforcement equipment; grant application submitted on May 18, 2009.
4. Energy Efficiency and Conservation Block Grant
\$777,600 to be used for development of energy efficiency and conservation strategies, energy efficiency retrofits, energy efficiency programs for buildings, residential and commercial energy audits, and other energy efficiency initiatives; application to be approved by City Council on June 8, 2009.

B. Direct Grants to City on Competitive Basis

1. Lead Hazard Reduction
\$1,922,370 to be used to remove lead based paint in residential structures for low and moderate income citizens; grant approved on March 6, 2009.
2. COPS Hiring Recovery Program
\$1,687,439 to be used to retain four school resource officers and hire four new police patrol officers; approved by City Council on April 6, 2009 and application submitted on April 14, 2009.
3. Edward Byrne Justice Assistance Grant (Police)
\$171,173 to be used to hire one crime analyst and one public safety systems coordinator; approved by City Council on April 6, 2009 and application submitted on April 27, 2009.

4. Assistance to Fire Fighters Grant Program (Fire Stations)
\$1,500,000 to be used to construct Fire Station #7 on Fire Tower Road; waiting on grant guidelines to be published.

C. Grants to the City through the State

1. Clean Water State Revolving Loan Fund (stormwater)
\$3,490,000 for projects submitted; included Moyewood Stormwater Emergency Repairs (\$600,000), Beatty Street Storm Drainage Repairs (\$900,000), Dickinson/Chestnut Area Storm Drainage Improvement Project (\$1,220,000), Lynndale Storm Drainage Ditch Improvements (\$70,000), and Skinner and Howell Streets Project (\$700,000); none funded in first round of grants.
2. Neighborhood Stabilization Program
\$4,500,000 to be used to purchase, rehabilitate, and re-sell foreclosed residential properties to low to moderate income citizens; prior grant application still pending.
3. Highway Infrastructure
No City projects approved in first round of projects approved by NCDOT; preliminary indication is that City will receive funding in second round for constructing an additional left turn lane on Arlington Blvd. at Stantonsburg Road (\$225,000) and sidewalk projects on Arlington Blvd. from Stantonsburg Road to Dickinson Ave. (\$178,000) and Charles Blvd. from Greenville Blvd. to Red Banks Road (\$101,000).
